REQUIREMENTS FOR MOBILE HOMES

Must be a manufactured home. A manufactured home is one that is newer than June 1976. (Proof of age of home might be required). See related ordinance.

There must be a hard surface access to the front door (i.e., crushed or well packed shell or gravel, concrete, etc.) See related ordinance.

Home must stay within property setback lines. Setback lines are: 5' from property line on sides and back and 10' from property line in front.

State licensed contractors must get permits to connect the house to all services (i.e., plumbers, electricians, air conditioning).

Contact the Water Department at 281-592-2669 regarding water service.

Only one mobile home is permitted per lot.

Any questions call us at 281-659-0240.
