Local Contractor's Directory

This report was prepared to:

Encourage local businesses in the construction industry to register their services with the City and aid city staff in buying locally whenever possible.

Philip Cook, City Manager
Updated: April 12, 2010

Note: This directory does not include all contractors in the local area. Inclusion in this directory was based upon registration with the City of Cleveland Development Services Department. Call Ashley Yeats, City of Cleveland Development Services Coordinator at 281-659-0240 if you wish to be included. Companies with multiple specialties will have multiple listings in the directory to make searching for a contractor easier.
