

Cleveland Police Department Community Survey

Date Survey Completed: _____

After you have completed form, you may save a copy to your computer and submit page by email to citizensurvey@citycleveland.net. Or you may print out the completed form and bring it by the Police Department or fax it to (281) 593-1722.

Your police department is providing this survey to you in an effort to get feedback from the citizens we serve. By taking a few minutes to complete this survey, you will be able to communicate your recommendations and/or concerns for your community. The Cleveland Police Department strives to meet the highest standards of law enforcement and your feed back is greatly appreciated.

1. What street/area of town do you live?
2. What are your current concerns for your community, if any?
3. Can you identify any potential problems in your community that your police department may be able to assist with?
4. Do you have any recommendations on how your police department can address any identified concerns in your community?

Please add any additional comments you may have.
